- Materials Controller, Alder Assembly (2018-2022): investigated inventory variances in StockPilot WMS and reduced repeated location errors through a relabelling trial.
- Recorded shift handovers and safety escalations for operations and maintenance teams.

EDUCATION AND CERTIFICATES

- Forklift operator certificate, renewed 2025
- Vocational certificate in logistics operations

SKILLS

- StockPilot WMS
- inventory reconciliation
- shift handovers
- continuous improvement

TEST NOTE

The vendor should surface the role-relevant evidence despite different job titles and wording, and point to the supporting passages.
